Art Activity

Our art activity today is going to be a 'cut above the rest'! For one day only you are going to be hair stylists.

1. Firstly, you will need to make a model to try out some of your unique hair styles on.
2. Simply, cut out some cardboard to create the shape of a face.
3. Use a black marker or felt to draw on some facial features, e.g. eyes, nose, mouth.
4. Then it is time to make your model look a million dollars by giving them a brand new hairstyle.
5. Take your cardboard cut out and a camera for a walk - this could be in the garden, local park, around your home, etc.
6. If you can, look for the perfect 'natural' opportunities to give your model some hair. I have attached some examples to inspire you.
7. Once you have photographed some fabulous styles, please send in your photos via Seesaw.

Alternatively, there are some sheets for you to draw on thinking about different aspects of your wellbeing.

Enjoy!!
