Dear Parents/Carers,

This week, as our region enters Tier 3 restrictions, I have attached a letter from our Parent Governors.

So many aspects of school life have been affected, in so many ways, but we remain grateful for all of your support during these times.

As the Parent Governors of Forefield Junior School we wanted to write to you all to acknowledge how successful the return to school has been following many months of uncertainty. We would like to express our gratitude to Mr Swift and all of the staff for making this a comfortable, safe and enjoyable return despite all of the cautionary measures that have had to be put into place. We're sure that achieving a teaching degree never covered a topic on adapting to a global pandemic and yet they have done so with our children's best interests at heart.

As you will know, school have made adjustments to the Forefield Lane access for entrance 6, but as Parent Governors we would like to reinforce previous school messages about the importance of physical distancing and wearing masks whilst waiting for our children to enter and exit school. We all need to take responsibility, for our safety and that of our children, and school are following the rules dictated by Sefton Council and Central Government around wearing face masks and physically distancing. We'd like to thank all of the parents that are adhering to these guidelines and ask you all to continue to support school as we work our way through COVID times.

We're also conscious that Halloween is on the horizon and it's going to be very different this year. You may have seen the attached image on social media. The idea is that your children display a Halloween themed picture in your window and it creates a 'pumpkin hunt' for you to walk around the neighbourhood with your children and give them sweets when they see one – a safe alternative to trick or treating. We thought this would be a good idea for us to support locally from our FJS community.

Thank you for reading,

Linz, Jane, Victoria and Matt
