Dear Parents/Carers,

In a week which has brought the challenge of a further lockdown, with all the difficulties that brings, I would like to thank you all for your continued patience and support, particularly at drop- off and pick-up times when the entrances can be busy.

What's been happening this week?
It has been wonderful to hear from the children about their half term holiday and the brilliantly creative and inventive ways you found to enjoy Halloween this year in the absence of 'Trick or Treat'.

The team from school health were delighted with the children when they administered the flu vaccinations on Tuesday - we are always proud of the children at FJS but it is always nice to hear from those who have visited school!

We continue to prioritise exercise and getting out in the fresh air so, despite the inclement weather this week, we have managed to get outside for games lessons and playtimes every day. Please ensure your child has a coat with them each day so that we don't have to rush indoors at the first spot of rain.

Finally, you may have noticed that Mr Swift has not been in school this week. He is currently self-isolating in line with advice from Public Health England.

Next week? We will be supporting the Royal British Legion Poppy Appeal. Each class bubble has a supply of poppies. Children may bring in a donation and wear their poppy with pride to commemorate Remembrance Day on Wednesday 11th November.

Thank you
Mrs S Russell
