Dear Parents/Carers,

Thank you for helping us to raise an amazing £ 356 for Children In Need!

This week saw the return to school of 6C, following a period of self-isolation, and with an identified positive case in 3K, that class has now been closed until Wednesday, 2nd December. Teaching staff will ensure that in the event of any class closure that 'home learning' will be available via SeeSaw. Unfortunately, we are still awaiting delivery of our allocated iPads for families to loan during a class closure, but if you need additional support please contact school. Under difficult circumstances, we are continuing to do our best to keep school as 'normal' as possible and we value your support. Remember, if you approach one of our staff without wearing a face covering or maintaining an appropriate distance, they will be unable to speak with you. If you need to inform us of any test results, outside of school hours, please email us.

In other news...

I have been asked to garner support for a crossing patrol to be established at the far end of Trevor Drive/Northern Rd. If you have concerns, you may wish to add your voice by contacting School Crossing Patrol on 2886153.

Our Parent Governors would also like to say...

We sincerely hope that the second lockdown isn't impacting you too much and it's great to see our children enjoying school after the long break and under the ever uncertain circumstances. We'd also like to thank all of the parents and children that have supported school with Odd Socks Day on Monday and the anti-bullying culture that the event promotes.

We would like to share some local initiatives happening right now in case you'd like to get involved:

The first is the '**Draw the Plaza Competition**'. There are prizes for the most school entries, winner by age group in each school and finalists will have their picture framed for final judging at the end of January 2021. The Grand Final winners will get their pictures displayed at the Plaza and the overall winners will each be given a £200 grant courtesy of Windowworld. Contact julielawsoncommunityeventscic.co.uk for entries and full terms and conditions. There is a £1 entry fee for each picture.

Secondly, the **Sefton Mayor's toy appeal** has started. If you would like to donate a new and unwrapped gift for a child aged 0-16 years, the local drop off points are College Cycles, St Nicholas' School, St Michael's High School and St Mary's Primary School. Alternatively, Marina Sands Junior Football Club will safely collect from you and all donations will be shared to those in need in our area – you can contact them via Facebook.
