5H top the leader board this week!  
Well done everyone!

Dear Parents/Carers and children,

As we close for half term, I just wanted to take the opportunity to thank you once again for your unrelenting support and words of encouragement and to recognise the hard work of everyone in our Forefield community. Everyone's lives have been turned upside down and in many ways the latest lockdown, at a time of dark nights and sub-zero temperatures has been harder than ever. However, despite the uncertainty, we have all adapted and taken on new roles and responsibilities to ensure that the children of FJS have continued to learn – either remotely or in school. None of this is easy. We didn't choose this situation and it is easy to feel powerless when many of the freedoms we used to take for granted are now denied to us. Birthdays, anniversaries and special events have had to be adapted and it's difficult to explain to children why they still can't see grandparents (let alone hug them) even though they've had the vaccine.

We do understand the massive impact that this has had on every member of our school community: the children, parents, wider family, staff and governors and it is clear from your communication with us that you understand how we feel in school:

**"It is a strange and frightening time and I wanted to say that the hard work of your team has not gone un-noticed."**

**"Thank you to all the staff who are working so tirelessly to support the children in and out of school, in such uncertain and unsteady times."**

**"I know during this time you would much prefer to be safe at home, yet you remain in school - it has not gone un-noticed or under appreciated."**

Your kind words have certainly kept us going over the last few weeks!

I wish that I could give you a firm date for the wider opening of FJS, but we are, like everyone else, waiting on government plans and we will only know the details at the same time as you.

Until then I wish you and your families a safe and enjoyable half term break, hopeful that things will begin to improve and we will have a full school in the not too distant future.

**Take care of one another and stay safe!**  
**P A Swift**
