Welcome Back!

Dear Parents, Carers and Children,

At the start of the Summer Term it is lovely to see school fully open and children playing in the sunshine. As the country takes its first tentative steps towards re-opening of shops and services, it is vital that we all continue to play our part in keeping everyone safe. We will continue to follow the guidance around hand-washing, sanitising, regular cleaning of surfaces and equipment and ventilation of spaces. The staggered entry/exit times will remain in place and class 'PODs' will continue to operate. Please continue to wear a face-covering around the school site and maintain social distancing. Although transmission rates are now lower, please continue to be vigilant for any symptoms and inform school of any concerns or test results. Thank you.

SWIMMING

From Monday, 19th April we are able to attend swimming lessons at Crosby Baths. Previous restrictions prevented us from accessing the pool earlier this year and, as a result, the remaining slots for this year will be taken by our Year 5 classes. Children in Y5 received a letter this week – thank you for returning the slips! On Mondays, the children should wear their swimming costume under their jogging suit and bring everything else they need in a small bag.

PARENTS' EVENINGS

We are currently finalising plans for a 'virtual' Parents' Evening (10-14th May). More details will follow.

CLUBS & ACTIVITIES

In-line with changing guidance regarding the mixing of children in outside spaces, we are now looking at our provision for after-school clubs. Where it is possible we will be looking at how to safely re-introduce some of the many clubs we have offered in previous years. We will share details as soon as firm plans are in place.

TRANSITION

We are working closely with both Forefield Infants and our local high schools to facilitate transition and opportunities for children to visit their new schools later this term. We had to re-think all of our arrangements last year and we will have to adapt again this year. Hopefully, we will be able to find solutions and share those plans with you in the coming weeks.

Have a lovely weekend!
