Although infection rates are falling, members of our school community continue to present with symptoms (high temperature/loss or change to sense of taste or smell/new continuous cough). Please note that the NHS advise: do not use a rapid lateral flow test if you have coronavirus symptoms. Get a PCR test and self-isolate.

As always, please contact school if your child (or anyone in your household) has symptoms, is self-isolating or has taken a test and inform us of a negative test result before returning to school. Thank you.

Remember:

Wear something yellow on Friday, 7<sup>th</sup> May!
