

FOREFIELD MATTERS

PROUD: PASSION, RESPECT, OPPORTUNITY, UNIQUE, DETERMINED

2018-19 Wk 1

Welcome back to a new school year!

Following the summer break, I hope everyone is refreshed and ready for another year. The children look very smart in their new uniforms and shiny black shoes – thank you for continuing to support our uniform policy. We are joined this year by Miss Berry in Year 5 and two new lunchtime staff: Mrs Burleigh and Mrs Stewart and of course our new Year 3 pupils who have already started to settle in and feel part of the FJS family! I hope it is the start of a positive partnership between home and school.

So, what's new?

Well apart from new staff, pupils and diaries our school hall had new windows, we installed a new visitor entry system and three of our classrooms got new carpets... but more importantly during our INSET Days we worked on connecting the PROUD Values in our Mission Statement to the expectations we have for our pupils. For each value (listed below) we will, with your support, guide the children towards each of these qualities.

We have also introduced green, yellow and red cards to show the children how well they are doing and I'm sure you will hear more about this from the children over the next few days and weeks!

New Diaries...

Hopefully by now you have seen (and signed!) our new school diaries. Every child, from Year 3 to Year 6 has received a Forefield Home/School Diary to record homework and other important messages.

Please take the time to look at the first few pages that set out our Mission Statement, Pupil Guarantee, Holiday Dates & our Home/School Agreement. There are also pages that require a signature so that we have permission to take pupils on short visits within our locality and to use the internet.

At the back of the diary you will find key spellings and a times tables chart.

PASSION	RESPECT	OPPORTUNITY	UNIQUE	DETERMINED
I have a thirst for knowledge, I approach activities with enthusiasm, I love a challenge and enjoy solving problems, I know my skills and aim to build on them to be the best I can be, I pursue my interests beyond the lesson and beyond the school, I share my passions and help to inspire others.	I follow the rules and use good manners, I treat everyone as I would like to be treated – showing kindness & consideration, I listen carefully to others – without interrupting, I think carefully about what I say and how I say it, I know that hurting someone is never OK, I look after my own and other people's belongings, I value and take care of equipment and resources – tidying away when asked.	I aim to be in school every day and on time, with all of the equipment I need, I welcome new experiences & approach activities with curiosity, I always have a go, I attend clubs, enter competitions and fully participate in the life of our school, I appreciate the opportunities on offer - even if they are not for me! I remember that just because I can doesn't mean I should!	I have my own opinion and share my views, I am my own person and value my skills and talents, I recognise that other people have interests and hobbies that I don't share and that's OK! I appreciate everyone's uniqueness – wouldn't it be boring if everyone was the same? I can be part of a team and still be me – because I know that if I work well with others I can achieve more.	I show commitment and keep going, If I have a problem I look for a solution, When things are hard I try my best and appreciate that to be successful I must practise, I know that the more effort I put in, the greater the result will be, I know that success takes time – if something goes wrong once that doesn't mean it always will.

Opportunities... next week we will attach a full list of diary dates but coming soon: Martin Mere Trip (Y4), Roald Dahl Day (Y5), M&M Theatre will be performing 'Alice In Wonderland' on 17/9/18 and we will be holding a Macmillan Coffee Morning.

Diary for week commencing 10th September 2018
